

Integration of Canara and e-Syndicate CBS Systems

We wish to inform all our esteemed Customers that Canara Bank has successfully completed the CBS Integration of s-Canara and e-Syndicate.

With CBS Integration, all the Customers of the Combined Entity (Canara + e-Syndicate) will get services from a Single Core System. All the Digital Channels and Services such as Internet Banking, Mobile Banking, UPI, ATMS etc. will connect to the same system. All the Customers will have same experience of services across Branches and from all the Channels.

We thank our Customers for their unconditional support during this period of IT Integration. We assure that Canara Bank will keep on providing best of the services to all its Customers. We shall continuously upgrade and improve our Technology for providing better experience to the Customers.

We seek continued patronage of our Customers.
